## INTRODUCTION

**Father Muller Homoeopathic Medical College & Hospital**, unit of Father Muller Charitable Institutions, a Registered Society sponsored by the Catholic Diocese of Mangalore; is a Religious Minority Educational Institution established primarily for the benefit of the members of the Christian Community. It is open, like all other Educational Institutions under Catholic auspices, to all persons irrespective of religion, caste or community and is affiliated to Rajiv Gandhi University of Health Sciences, Karnataka, Bangalore, and Recognized by the Central Council of Homoeopathy, New Delhi and Department of Ayush, Govt. of India.

Father Muller Homoeopathic Medical College has completed 26 years of its successful and meaningful existence in the field of Homoeopathic Education and Practice. The students who pass out from this college have been much sought after professionals both in the practice and by Homoeopathic Institutions in the country and abroad. The tradition of Patient care, Knowledge care and Learner care is continuing with accentuated zeal since the inception of this College which helps the students to evolve into competent and committed Homoeopathic academicians and clinicians.

The College is situated at Deralakatte in a campus of 33 acres wherein the Homoeo Manufactory, Gents and Ladies hostel and a Herbal Garden are also situated. The Homoeo College is built as per the requirement prescribed by the Apex Body. It has a full fledged 12 U.G. departments and 7 P.G. departments.

**Father Muller Charitable Institution** had a humble beginning under a Banyan tree where Fr Augustus Muller S.J. started dispensing Homoeopathic Medicines free of charge to the ailing poor. His spiritual ideals and motivation reflecting Christian Love continue to guide the destinies of the Institution which have

been steadily expanding their services, ever remaining in the vanguard of medical progress. F.M.C.I. have been blessed with a succession of selfless, dedicated personnel, Medical and Nursing staff, Para-medical workers and others with a CARE for all, irrespective of religion, caste or community.

**Father Muller Charitable Institution** has been rendering comprehensive medical care with its motto 'Heal and Comfort'. The entire Hospital Complex has now a total of 1250 beds devoted to the various specialities with well-developed modern facilities for treatment. A Leprosy Centre, a Rehabilitation Centre, a School of Nursing, a College of Nursing, B.Sc. in Physiotherapy, B.Sc. in Radiography, B.Sc. in Medical Laboratory Technology, Hospital Aids Training, M.Sc. in Hospital Management, Undergraduate (MBBS) and Post Graduation (MD/MS) in modern medicine, and Homoeopathic Medical College and a Homoeopathic Pharmaceutical Unit are some of the major units of F.M.C.I. A centre for de-addiction and rehabilitation of alcoholics is established with in-patient facilities.

Excellence of service, loving care and concern as well as responsiveness to the demands of the needy and the poor are the qualities responsible for the phenomenal growth and expansion of F.M.C.I.

Fr Augustus Muller, S.J. K.I.H., the pioneer of homeopathy in southern part of India, a great homoeopathic practitioner of his times and the first Indian repertorian was born in Westphalia in Germany on 13th of March 1841. Homoeopathic system of medicine, which originated in Germany, had a great influence on him since his childhood. It cannot be merely a strange coincidence that the founder of homoeopathy, master Samuel Hahnemann in his school days was student of Augustine Muller, the grandfather of Augustus Muller. Probably it was God's providence. There was a great similarity in the way of life between the two families.

Fr Muller was born in a simple and religious family, which taught him simplicity and dedication. Since his childhood he received health care through the homoeopathic system of medicine. Probably this left a deep impression regarding the efficacy of the system. Fr Augustus Muller fell in love with Homoeopathy and popularized it not only in this district but also all over the country.

Despite the popularity Homoeopathy enjoys in our country as is evident by the continued increase in the number of Registered Homoeopathic Practitioners as well as recognized Homoeopathic Medical College in the country, we find that a large number of practitioners are not able to practice the Science of Homoeopathy as per Hahnemann's teachings. Father Muller Homoeopathic Medical College, established in 1985, has taken up measures through a scientifically planned and well equipped institution so that properly trained, professionally competent, committed and dedicated Homoeopathic Physicians are put in the field. The example of Father Augustus Muller S.J. a true Homoeopath and other dedicated workers who followed him in his great tradition of selfless service to suffering humanity, helps to instill in the learner similar spirit essential to the CARE of the patient as well as of the Science and art of Homoeopathy.

## **I. OBJECTIVES**

### **THE AIMS AND OBJECTIVES OF FATHER MULLER HOMOEOPATHIC MEDICAL COLLEGE ARE:**

- **To train** young men and women in Homoeopathic medicine and develop in them such skills as are needed to render effective health care to the suffering humanity.
- **To involve** the staff and the students in various Homoeopathic Research projects.
- **To promote** the science and system of Homoeopathy and to put it to service of common man.

- **To instill** in students a spirit of dedication and commitment after the example of the founder, Father Augustus Muller S.J.

**THE SPECIFIC OBJECTIVES OF THE POST-GRADUATE PROGRAMME ARE:**

- e) **TO EXPLORE** the scientific aspect of Homoeopathy and bridge the gap between theory and practice.
- f) **TO PROMOTE CLINICAL AND ACADEMIC RESEARCH** in the field of Homoeopathy so that the outcome can be used for training students and serving the ailing and suffering humanity.
- g) **TO INVOLVE** the qualified and competent Homoeopathic graduates in various project works in order to promote the science and art of Homoeopathy.

**3. FACILITIES**

3.1 Father Muller Homoeopathic Medical College conducts regular B.H.M.S. Degree course of five and half years duration – a formal education of four and half years and Compulsory Internship Training of one year as prescribed in the Homoeopathy Degree (B.H.M.S.) Regulations of the Central Council of Homoeopathy, New Delhi. The College is affiliated to Rajiv Gandhi University of Health Sciences, Karnataka and recognized by the Central Council of Homoeopathy, New Delhi on permanent basis. It has all the required facilities for conducting the undergraduate and postgraduate courses as prescribed by the Central Council of Homoeopathy.

**3.2 IN-PATIENT DEPARTMENT:**

The Homoeopathic Medical College has 157 beds attached to Homoeopathic Hospitals at Kankanady, Deralakatte and

St. Anthony's Poor Homes for admitting patients. A well equipped Clinical Laboratory, Blood Bank, Radiology, Ultra Sound and Imaging departments and C.T. Scan have been set up for the use of patients attending Homoeopathic Out-Patient and In-Patient departments. Surgical operation theatre, Labour theatre, Neonatal, Dental, I.C.U., Physiotherapy, Yoga and Naturopathy Reproduction and Child health dept.

### **3.3 OUT-PATIENT DEPARTMENT:**

It has facilities for 6 units and consultation rooms along with Screening room/O.P. Supervisor's room. Clinical Supervisor's room, a dispensing room, a registration cum records room, a students guidance room, patient's waiting hall and a conference hall at Deralakatte.

The O.P.D. in its old premises at Kankanady still continues to render services everyday and attracts a large number of patients.

In the Homoeopathic Medical College Hospital students are given well-organized clinical training. The Medical Officers and Physicians look after the proper conduct of clinical classes to both the students and interns in O.P.D. and I.P.D.

#### **O.P.D. UNITS:**

The Out-patient and In-patient departments are organized in such a manner that the needs of Homoeopathic Medical Post Graduate education could be satisfactorily met with from the case materials available in Hospital. Care is taken to document every case and demonstrate the cases to the students and interns. All the elements of Homoeopathic - case taking, case analysis, case synthesis, case exposition and prescription i.e. follow ups with remedy response are given due emphasis.

#### **3.4 RURAL HEALTH CENTRES:**

Villages and remote rural areas do not have adequate medical facilities as found in Urban developed areas. Father Muller Homoeopathic Medical College has adopted 12 villages where mobile/clinics are conducted on regular basis. Medical camps and school health check up programmes are also held on regular basis.

#### **MEDICAL OUTREACH CENTRES:**

From the time of inception of the college, there is a keen effort from the management and the faculty to maintain some regular mobile medical centres in suburban and rural areas. There were around 5 centres in 1985 and 10 centres in 1995 and by the year 2000 the number went up to 15 centres. Today we have around 17 peripheral mobile centres spread across the 2 districts- Dakshina Kannada and Kasaragod. Free medical check up and follow up treatment caters to the need of the rural people.

### **3.6 CO-ORDINATION OF CLINICAL TEACHING:**

The Clinical Teaching of Homoeopathy is co-ordinated by the Heads of the Department of all clinical departments and unit heads of all the units of O.P.D. and I.P.D. Mainly it is done through organising clinical classes and demonstrations at the O.P.D./I.P.D together with weekly clinical meetings conducted in the form of symposium for each batch of students separately. For this purpose, the college has evolved a standardized case

record, analysis, evaluation, synthesis and follows up system. Cases recorded and worked out on such Case-records are utilized as the basic teaching materials for Homoeopathic clinical teaching. The Homoeopathic teaching in this manner is further facilitated by teachers who take lecture classes and also attend patients at outpatient department and I.P.D. They use cases as examples to highlight the principles and practice of Homoeopathy.

College invites visiting professors as resource personnel to share their expertise on the subject concerned whenever required. Father Muller Homoeopathic Medical College has its association with Institute of Clinical Research Mumbai since inception of the College.

P.G. training programme is supported by Approved guides in the respective department and P.G. students are trained under the guidance of experts in their fields.
