FATHER MULLER MEDICAL COLLEGE, MANGALORE

1. HISTORICAL BACK-GROUND OF THE INSTITUTION:

Father Muller Medical College is a unit of Father Muller Charitable Institutions, a Registered Society sponsored by the Catholic Diocese of Mangalore; is a Religious Minority Educational Institution established primarily for the benefit of the members of the Christian Community. It is open, like all other Educational Institutions under Catholic auspices, to all persons irrespective of religion, caste or community and is affiliated to Rajiv Gandhi University of Health Sciences, Karnataka, Bangalore.

Father Muller Charitable Institutions had a very humble beginning in the year 1880 under a banyan tree where Father Muller, a German Jesuit missionary started dispensing Homoeopathic Medicines to the ailing poor. Though it was started as a leprosy hospital, as need arose, an Allopathic Hospital was constructed and the care was extended to patients suffering from various diseases. Today it has grown as vast complex, consisting over 1,000 bedded multispeciality Hospital with graduate and postgraduate programmes in Medicine, Nursing and allied health sciences.

It is noteworthy to mention that all these existing Medical and Allied Health Science programmes offered by Father Muller's Charitable Institutions contribute not only towards the diverse health needs of the people but it also caters towards preparing Quality Health Care Personnel for the country at large.

2. PHILOSOPHY

The Management, Staff and Students of Father Muller's Charitable Institutions, have been inspired and guided through the years, by the motto "HEAL AND COMFORT" instilled by Fr. Muller himself whose spirit and values we cherish, maintain and promote with special thrust in bringing succour to the underprivileged, such as patients with leprosy, tuberculosis, mentally ill, alcoholics etc.

We consider Patient Care is a team work in co-operation and collaboration with all those who are involved in the care of the patient, whether in the hospital or community, adopting a holistic approach founded on Scientific and Research Findings.

We promote education of the highest quality in the Art and Science of Medicine, Nursing, Allied Health Sciences and other related professions instilling Human, Ethical, Spiritual and Christian values.

We look for excellence not only in professional skills but also in attitude and character in everyone, upholding respect for Life, Dignity of a person with humaneness and a genuine feeling of compassion for patients, their attenders and families, in emulation of the 'Divine Healer-the Greatest Physician'.

The Staff and Students of this Medical College will maintain the rich tradition of 'Holistic Approach' to patient care instilled by the Founder, Father Augustus Muller. Healing of the 'Whole Person' - body, mind and spirit will be the total concern of everyone in this approach and not merely curing a diseased part of the human body or an ailment.

It is hoped that during the period of training, the virtues of brotherly love and compassion in a spirit of service, respect of life from the womb to the tomb, including respect for disabled and the infirm, will be imbibed by the students. They are expected not only to deepen their knowledge and develop more skills in different medical sciences but also to grow in "Spiritual Strength", so that they contribute towards maintaining the ethos of the institution.

FACILITIES AVAILABLE

- 1 **Clinical Facilities:** The entire hospital complex of Fr. Muller's Institutions with all its specialities having a bed strength of 1050 is made available to the students.
- 2 **Library:** Extensive library service together with systematic use of audiovisual aids e-Library are available to help the students in their learning process. The students are allowed to make use of the departmental and the Central Library. They shall follow all the rules of the Library.
- 3 **Religious Activities:** Various religious activities are conducted in the Chapel of the Institutions. The students are expected to make use of these facilities provided in the

campus for the spiritual growth. It is from the divine Physician, Jesus that they learn to love and serve, heal and comfort to sick and suffering.

- 4 **Extra Curricular Activities:** In view of the main aim of education as the total development of the Person, a number of opportunities are provided for the students to develop their skills and talents on various levels such as music, dance, indoor and outdoor game and sports.
- 5 **Health Services:** On admission every student will undergo a medical examination. An annual check-up will be done for all the students. Medical care will be given to them in case of illness at Fr. Muller Medical College Hospital as per the Student Health Scheme.
- 6 **Hostel:** Separate hostel facilities for both girls and boys are provided in the campus for the students who require these facilities. Rules and Regulations of the hostel will be provided to the students opting for the same at the time of admission to the hostels.
- 7 **Breakages and Losses:** These shall be made good promptly on demand. Failure to meet the demand during the stipulated time shall incur a penalty.
- 8 **Vacation:** Vacations are planned according to the Rajiv Gandhi University of Health Sciences Rules. Normally no other leave will be granted. Students are not granted leave for social events in the family.
- 9 **Hostel:** Rules and Regulations of the Hostel will be provided to every candidate who join the Hostel which are to be strictly abided by.

DISCIPLINE

- 1 **Ragging is strictly prohibited:** Students shall not indulge, either individually or collectively in any form of activity that will bring down the good name of the Institution / medical Profession.

Depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of the institution, the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following:

- Suspension from attending classes and academic privileges.
- Withholding/ withdrawing scholarship/ fellowship and other benefits
- Debarring from appearing in any test/ examination or other evaluation Process.
- Withholding results
- Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
- Suspension/ expulsion from the hostel
- Cancellation of admission.
- Rustication from the institution for period ranging from 1 to 4 semesters
- Expulsion from the institution and consequent debarring from admission to any other institution for a specific period.
- Fine of Rs.1 lakh.

At the time of admission , students are required to give an undertaking not to indulge or abet ragging.

- 2 **WITHDRAWAL from the Course:**
 - (i) **Withdrawal after completing the process of admission and before the commencement of the course:**

If a student who has been admitted to the course decides to withdraw before the commencement of the course, he/she will forfeit fees paid by him/her as follows:

once taken admission :	10%
15 days before	: 50%
10 days before	: 60%
5 days before	: 75%
less than 4 days	: 100%
 - (ii) **Withdrawal from the college during the course:**

Students are discouraged from discontinuing the course anytime after the commencement of the same. However, if any student decides to withdraw voluntarily

from the college at any time before completing the course, he/she shall communicate his/her decision to the Management in writing along with a letter from his/her parents in support of his / her decision. A student who fulfills these formalities and who is permitted to withdraw from the course is required to pay the course fee for the remainder of the course and penal fees of Rs.25,000/- for U.G. Course and Rs.50,000/- for P.G. Course to the college. The fees already paid by the student will not be refunded to him / her under any circumstances.

(iii) The college reserves the right to discharge any student whose progress in studies or conduct is not found satisfactory or for any other cause during the period of training or service.

- 3 There is a Students' & Teachers Soudardha Sahakari Co-operative Society in the campus. All students have to be members of this Society and they can avail various stationery available.
- 4 Students are expected to behave with dignity and decorum and in conformity with the discipline of the Institutions. Any breach of discipline shall be suitably dealt with. Serious lapses of discipline and character shall render the student's name liable to be struck off the roll of the college. If, in the opinion of the Dean, a student is not likely to benefit by continuing in the college or is considered to be detrimental to the best interest of the Institutions, the management may order such student to leave the College. No fees paid by the students will be refunded. the management's decision in this regard shall be final.

GENERAL

- 1 Applicants / Parents / Guardians are informed that it will not be possible to enter into correspondence with them in connection with the various provisions in the prospectus. It is also not possible to grant them any interview in this connection. All decisions or actions taken by the Management are final and not subject to review.
- 2 Every student is required to familiarise himself / herself with the rules laid down in the Prospectus and also formulated and announced by the Management from time to time.
- 3 Student should not absent themselves from classes, practicals, clinicals and examinations without the previous permission of the Dean. Such absence without leave may lead to loss of a term.
- 4 Smoking is strictly prohibited in all parts of the college, hospital campus and hostel.
- 5 Students are requested to dress modestly when attending the college and in the campus. Students are not permitted to wear Jeans, T-shirts to the college.
- 6 Mobile / Cell phones are prohibited in the college campus. No student is permitted to carry mobile/cell phones to the class.
- 7 No Society, Union or Association of the students shall be formed in the college and no outsider invited to address a meeting without the Dean's specific permission.
- 8 In all matters, whether covered or not in the existing rules, the decision of the Management shall be final.
- 9 The Management reserves the right of making any addition to or omission from or alteration in the above rules and regulations including fee structure without prior notice.
- 10 The fees will be charged based on the expenses incurred on education and other facilities offered. Students are expected to meet the expenses. Fees are to be paid by the students within the time specified by the College failing which the student will not be permitted to continue the classes.

For all legal matters/disputes arising out of provisions of this prospectus, the court of Jurisdiction will be that of Mangalore only.

BACHELOR OF PHYSIOTHERAPY (B P T)

DURATION OF THE COURSE & SUBJECT OF STUDY :

The duration of the BPT Course shall be four and half years including Compulsory internship of six months.

THE SUBJECT OF STUDY DURING 1 YEAR :

MAIN SUBJECTS:

Anatomy, Physiology, Biochemistry, Biomechanics, Psychology, Sociology

SUBSIDIARY SUBJECTS:

Kannada, English, Basic Nursing, Orientation to Physiotherapy, Integrated Seminars / Problem Based Learning (PBL)

THE SUBJECT OF STUDY DURING II YEAR :

MAIN SUBJECTS :

Pathology, Microbiology, Pharmacology, Exercise Therapy, Electrotherapy Research Methodology & Biostatistics.

SUBSIDIARY SUBJECTS :

First Aid & CPR, Constitution of India, Introduction to Treatment, Clinical Observation Posting

THE SUBJECT OF STUDY DURING III YEAR :

MAIN SUBJECTS :

General Medicine, General Surgery, Orthopedics & Traumatology, Orthopaedics Sports and Physiotherapy, Cardio-respiratory & General Physiotherapy,

Supervised Rotatory Clinical Training in various units of the department

SUBSIDIARY SUBJECTS :

Allied Therapies

THE SUBJECT OF STUDY DURING IV YEAR :

MAIN SUBJECTS :

Neurology & Neuro Surgery, Community Medicine, Neuro Physiotherapy, Community Based Rehabilitation, Supervised Rotatory Clinical Training

Supervised Rotatory Clinical Training in various units of the department

SUBSIDIARY SUBJECTS :

Ethics, Administration and Supervision, Evidence Based Physiotherapy Practice, Project

UNIVERSITY REQUIREMENT :

A) ATTENDANCE:

Every candidate should attend all classes conducted in a calendar year from the date of commencement of the term to the last working day as notified by the University in each of the subjects prescribed for that year separately in Theory and Practical. Students having less than 80% attendance will not be eligible to appear for the University Examinations in their first attempt. Failed candidates should have attended at least 80% of the total number of classes conducted in that term in individual subjects separately in Theory and Practical to become eligible to appear for the University Examination in that Supplementary or subsequent Examination. However, this is not applicable in case of carry over subjects.

C) EXAMINATION

There will be two examinations in a year, to be conducted as per notification issued by the University from time to time. First, Second, Third and Final Examinations of BPT course shall be held at the end of 1st year, 2nd year, 3rd year and 4th year respectively. The examination for main subjects shall be conducted by the University and for subsidiary subjects by the respective college.

- ELIGIBILITY FOR EXAMINATION

To be eligible to appear for University Examination a candidate

- a) Should have undergone satisfactorily the approved course of study in the subject / subjects for the prescribed duration.
- b) Should have attended atleast 80% of the total number of classes in theory and practical / clinical separately in each subjects.
- c) Should fulfill any other requirements that may be prescribed by the University from time to time.

INTERNSHIP:

There shall be six months of Internship after the final examination for candidates declared to have the examination in all the subjects. No candidate shall be awarded degree certificate without successful completing six months of Internship.

B.Sc. MEDICAL LABORATORY TECHNOLOGY

DURATION OF THE COURSE & SUBJECT OF STUDY:

Duration shall be for a period of 3½ years including six months Internship

THE SUBJECT OF STUDY DURING 1 YEAR :

Human Anatomy, Physiology, Biochemistry I, Pathology I, Microbiology I,

Subsidiary subject English, Kannada, Health Care

THE SUBJECT OF STUDY DURING II YEAR :

Biochemistry II, Pathology II, Microbiology II

Subsidiary subject: Sociology, Constitution of India, Environmental Science & Health.

THE SUBJECT OF STUDY DURING III YEAR :

Biochemistry III, Pathology III, Microbiology III

Subsidiary subject: Ethics, Database Management, Research & Biostatistics, Computer application.

UNIVERSITY REQUIREMENT :

A) ATTENDANCE:

Every candidate should attend all classes conducted in an academic year from the date of commencement of the term to the last working day as notified by the University in each of the subjects prescribed for that year separately in Theory and Practical. Students having less than 80% attendance will not be eligible to appear for the University Examinations in that subject. Failed candidates should have attended at least 80% of the total number of classes conducted in that term in individual subjects separately in Theory and Practical to become eligible to appear for the University Examination in that Supplementary or subsequent Examination.

B) INTERNAL ASSESSMENT :

Passing in internal assessment is a prerequisite for appearing for University Examination.

The Internal Assessment is based on evaluation, assignment, preparation of seminar, and clinical presentation, regular periodic examinations will be conducted throughout the course. Day to day records are given importance in the internal assessment. The weightage given to internal assessment is 20% out of total marks assigned for a subject.

C) EXAMINATION : ELIGIBILITY

1. A candidate shall not be admitted to the practical examination for the first time unless he/she produces the class record book certified by the Head of the Department.
2. At subsequent practical the marks awarded for the class records at the first appearance in that subjects will be taken for declaration of results.

B.Sc. (MEDICAL IMAGING TECHNOLOGY)

(1) DURATION OF THE COURSE & SUBJECT OF STUDY:

Duration shall be for a period of 3½ years including six months Internship

THE SUBJECT OF STUDY DURING 1 YEAR :

Anatomy, Physiology, Biochemistry, Pathology, Microbiology/

SUBSIDIARY SUBJECTS:

English, Kannada, Health Care).

THE SUBJECT OF STUDY DURING II YEAR :

Physics of Radiology, Radiation Physics & Medical Physics,

Radiographic Techniques (*)

Radiographic Photography and Image Processing

(*) – exam will be held in III year)

SUBSIDIARY SUBJECTS:

Constitution of India, Environment Science & Health

THE SUBJECT OF STUDY DURING III YEAR :

Diagnostic Imaging Techniques,

Radiographic Techniques II

SUBSIDIARY SUBJECTS:

Biostatistics, Computer Application.

(2) UNIVERSITY REQUIREMENT :

A) ATTENDANCE:

Every candidate should attend all classes conducted in a academic year from the date of commencement of the term to the last working day as notified by the University in each of the subjects prescribed for that year separately in Theory and Practical. Students having less than 80% attendance will not be eligible to appear for the University Examinations in that subject. Failed candidates should have attended at least 80% of the total number of classes conducted in that term in individual subjects separately in Theory and Practical to become eligible to appear for the University Examination in that Supplementary or subsequent Examination. However, this is not applicable in case of carry over subjects.

B) INTERNAL ASSESSMENT :

Passing in internal assessment is a prerequisite for appearing for University Examination.

The Internal Assessment is based on evaluation, assignment, preparation of seminar, and clinical presentation, regular periodic examinations will be conducted throughout the course. Day to day records are given importance in the internal assessment. The weightage given to internal assessment is 20% out of total marks assigned for a subject.

C) EXAMINATION :

ELIGIBILITY FOR EXAMINATION :

1. A candidate shall register for all the subjects of a year when he/she appears for the examinations of that year for the first time.
2. A candidate shall not be admitted to the practical examination for the first time unless he/she produces the class record book certified by the Head of the Department.
3. At subsequent practical the marks awarded for the class records at the first appearance in that subjects will be taken for declaration of results.

B.Sc. (RADIO THERAPY)

(1) DURATION OF THE COURSE & SUBJECT OF STUDY:

Duration shall be for a period of 3½ years including six months Internship

THE SUBJECT OF STUDY DURING 1 YEAR :

Anatomy, Physiology, Biochemistry, Pathology, Microbiology

SUBSIDIARY SUBJECTS:

English, Kannada, Health Care).

THE SUBJECT OF STUDY DURING II YEAR :

Radiotherapy – Part – I A

Fundamentals of Physics

SUBSIDIARY SUBJECTS:

Sociology, Constitution of India, Environment Science & Health

THE SUBJECT OF STUDY DURING III YEAR :

Radiotherapy – Part – II A

Radiation Physics

Radiotherapy – Part – II B

Principles and Practice of Radiotherapy

SUBSIDIARY SUBJECTS:

Ethics, Database Management

Research & Biostatistics, Computer application.

(2) UNIVERSITY REQUIREMENT :

A) ATTENDANCE:

Every candidate should attend all classes conducted in an academic year from the date of commencement of the term to the last working day as notified by the University in each of the subjects prescribed for that year separately in Theory and Practical. Students having less than 80% attendance will not be eligible to appear for the University Examinations in that subject. Failed candidates should have attended at least 80% of the total number of classes conducted in that term in individual subjects separately in Theory and Practical to become eligible to appear for the University Examination in that Supplementary or subsequent Examination. However, this is not applicable in case of carry over subjects.

B) INTERNAL ASSESSMENT :

Passing in internal assessment is a prerequisite for appearing for University Examination.

The Internal Assessment is based on evaluation, assignment, preparation of seminar, and clinical presentation, regular periodic examinations will be conducted throughout the course. Day to day records are given importance in the internal assessment. The weightage given to internal assessment is 20% out of total marks assigned for a subject.

C) EXAMINATION :

ELIGIBILITY FOR EXAMINATION :

1. A candidate shall register for all the subjects of a year when he/she appears for the examinations of that year for the first time.
2. A candidate shall not be admitted to the practical examination for the first time unless he/she produces the class record book certified by the Head of the Department.
3. At subsequent practical the marks awarded for the class records at the first appearance in that subjects will be taken for declaration of results.

MASTERS IN HOSPITAL ADMINISTRATION (M.H.A.)

(1) DURATION OF THE COURSE & SUBJECT OF STUDY:

The course is of 2 years consisting of four semesters.

SUBJECT OF STUDY :

Semesters		Subjects
First	Main Subjects	Principles of Management
		Organizational Behaviour
		Statistics Operation Research and Research Methodology including Research Ethics
	Subsidiary Subjects	Accounting in Healthcare
Second	Main Subjects	Human Body and Function
		Epidemiology, Public Health Administration in India & Medical Ethics
		Financial Management in Healthcare
		Health Economics
Third	Main Subjects	Materials Management in Healthcare
		Human Resources Management in Healthcare
		Marketing Management in Healthcare
Fourth	Main Subjects	Legal Issues in Healthcare & Business Ethics
		Hospital Planning and Organization
		Management of Hospital Services
		Quality Management in Healthcare

(2) HOURS The teaching hours from first to fourth semesters are as follows:

Semester	Theory	Hospital/ practical training	Field visit	Total
First	240	360	Hospital orientation - 120 hrs	720
Second	240	360	**Field or Hospital visit - 120 hrs	720
Third	240	360	**Field or Hospital visit - 120 hrs	720
Fourth	240	360	**Field or Hospital visit - 120 hrs	720
Total	960	1460		2880

** Field visit / hospital visit - to other specialized hospital and Dissertation work.

(2) UNIVERSITY REQUIREMENT :

A) ATTENDANCE:

Every candidate shall have attended at least 80% of the total number of theory and hospital/practical training classes conducted from the date of commencement of the term to the last working day as notified by university in each of the subjects prescribed for that semester separately, in theory and hospital/practical training. Only such candidates are eligible to appear for the university examination in their first attempt. A candidate lacking the prescribed percentage of attendance in any subject either in theory or hospital/ practical training in the first appearance will not be eligible to appear for the University Examination in that particular subject.

M.Sc. (MEDICAL LABORATORY TECHNOLOGY)

(1) DURATION OF THE COURSE & SUBJECT OF STUDY:

The duration of the course is of two years from the commencement of the academic term.

THE SUBJECT OF STUDY DURING FIRST YEAR :

Main subjects:

1. Biochemistry-I : Clinical Biochemistry, Biomedical Techniques, Laboratory Management.
2. Microbiology-I : Clinical Microbiology, Immunology, Molecular Biology
3. Hematology and Blood Transfusion-I : Haematology & Clinical Pathology, Immunopathology, Medical Genetics

Subsidiary subjects:

Biostatistics, Research Methodology.

Note : Main and Subsidiary subjects are common in I year for all the three branches.

THE SUBJECT OF STUDY DURING SECOND YEAR :

Main subjects:

1. Biochemistry - II
2. Microbiology - II
3. Hematology and Blood Transfusion - II

(2) UNIVERSITY REQUIREMENT :

A) ATTENDANCE:

Every candidate shall have attended at least 80% of the total number of theory and hospital/practical training classes conducted from the date of commencement of the term to the last working day as notified by university in each of the subjects prescribed for that semester separately, in theory and practical. Only such candidates are eligible to appear for the university examination in their first attempt. A candidate lacking the prescribed percentage of attendance in any subject either in theory or practical in the first appearance will not be eligible to appear for the University Examination in that particular subject.

M.P.T. (MASTER OF PHYSIOTHERAPY)

(1) DURATION OF THE COURSE & SUBJECT OF STUDY:

The duration of the course is of 2 years.

(2) SUBJECT OF STUDY FOR FIRST YEAR:

CORE SUBJECTS: Mandatory for all students

- | | |
|---|--------------------------------------|
| 1. Principles of Physiotherapy Practice | |
| 2. Research Methodology and Biostatistics | 6. Physical and Functional diagnosis |
| 3. Biomechanics | 7. Physiotherapeutics |
| 4. Exercise Physiology | |
| 5. Electrophysiology | |

ELECTIVE:

1. Musculoskeletal Disorders and Sports
2. Neurological and Psychosomatic Disorders
3. Cardio-Respiratory Disorders
4. Community Rehabilitation
5. Pediatrics

(3) UNIVERSITY REQUIREMENT :

A) ATTENDANCE:

Every candidate shall have attended at least 80% of training and of the total classes conducted during each academic year of the MPT Course. Provided further, leave of any kind shall not be counted as part of academic term without prejudice to minimum 80% of training period every year. Any student who fails to complete the course in this manner shall not be permitted to appear for the University Examinations.
